Coordinating committee

These fine folks have been working behind the scenes for months to make the playground a reality. Come celebrate (build!) with them and bring the playground to life.

Childcare—Shana Karn
 Fund Raising—Sybil Coburn
 Food—Heather Gowe
 General—Mary Kirkwyland
 Materials—Bruno Schickel
 Public Relations—Cathy Wakeman
 Tools—Joe Lucia & Paula Parker
 Volunteers—Deb Fisher

All tools lent to the playground build will be returned in sign-in condition or replaced! See our website for specific tools needed.

One way that our playground will reflect the local community is through a mural as the background for a rock wall. In homage to Dairy Day and our local dairy industry, we will have a cow swing, a barn structure and a tractor structure in our playground.

The rock wall, another element of the playground, can represent one of the stunning natural scenes of our region. Can you recommend a muralist who would be willing to donate their talent to future generations? If so, please contact MontgomeryParkPlayground@gmail.com
