## Holiday Catalog Edition

This community just doesn't stop giving!!

There's still time to give a piece of the playground for the holidays. Check out the unique Montgomery Park Playground Blocks created by Anne and Abby Culp for the children in your life. Or have a playground picket engraved to honor or remember a loved one.

Thank you for amazing memories for 2016!

### Playground Block Sets

Do you find yourself fondly remembering the community spirit and sense of completion from our Playground Build. Well now you can recreate that in your own home with your very own Montgomery Park Playground Blocks.

Created from actual Montgomery Park Playground materials, these blocks were lovingly crafted by our very own Anne and Abby Culp. Assembled in large and small collections, or custom sets, they are available for purchase while supplies last. All of the money raised from sale of the blocks will go to the Montgomery Park Playground Maintenance Fund. See page 3 for ordering details.

## The bids have been opened and the winner is...

Our well loved park equipment will have a new home come springtime. The Village of Dryden opened the sealed bids and found new homes for the original Montgomery Park swing set and slide.

The 10 foot metal slide, feared by some but loved by many will now reside with Travis Stellick. The swing set will have many more years of use swinging the grandchildren of Randy and Joanne Sterling.

Thank you, Travis and Randy, for yet another contribution towards our Playground. Funds from this bidding process will support the Playground Maintenance Fund.

## Picket engraving extended

Thanks to Roscoe Brothers Millwork, picket engraving continues to be available.

Buy a picket for a loved one for Christmas!

A hand-written note will be mailed to the recipient, announcing your generous gift.

Pickets, engraved with the name of your choice up to 17 characters, are \$50 a piece.
